

# The BerufsInfoZentren (BIZ) / Centres for Occupational Information of AMS / Job Market Styria –

The first place for your questions concerning occupation, education, and advanced job training as well as trends on the job market!

**An outline of the services of the BerufsInfoZentren / Centres for Occupational Information – what we can do for you!**

- » We offer information and personal consultation on all questions relating to occupation, education and career.
- » We will discuss your interests and your strong points with a test focusing on your interests.
- » We will support you with research concerning occupation, education, and advanced job training.
- » We have informational leaflets, computers, and printers available for you in each BIZ.
- » We offer events on different subjects relating to the job market, occupation and education.

## **Additional information you should know!**

- » All our services for you are **free!**
- » You don't need to be unemployed or registered at AMS to make use of our services.
- » We offer information and consultation in person, over the phone or online.
- » Consultations will take place in German.
- » For an individual consultation concerning jobs and education at BIZ we kindly ask you to make an appointment per telephone or per e-mail.
